For the purpose of this calculation, the floor areas of attics is not to be counted but the floor area of basements and basement garages is to be counted.
- (b) Liability for the Common Expenses. Any parking spaces which are not allocated as Limited Common Elements at the termination of the Development Rights period may be so allocated by the Association by amendment to this Declaration. However, nothing hereunder shall prevent the Association, pursuant to its authority to manage the Common Interest Community, from assigning unallocated parking spaces as part of an overall parking plan.

All amendments shall specify to which Unit or Units the Limited Common Element is allocated.

Section 12.2 - Reallocation of Depicted Limited Common Elements. The persons executing the amendment shall provide an executed copy thereof to the Association which, if the amendment complies with the provisions of this Declaration and the Act, shall authorize it to be recorded. The amendment shall contain words of conveyance and shall be recorded and indexed in the names of the parties and the Common Interest Community.

- (iii) After acquiring an adjoining Unit or an adjoining part of an adjoining Unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a Common Element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the Common Interest Community. Removal of partitions or

creation of apertures under this Subdivision is not an alteration of boundaries.

- (b) A Unit Owner may submit a written request to the Executive Board for approval to do anything that he or she is forbidden to do under Subsection 13.1(a)(ii). The Executive Board shall answer any written request for such approval, after Notice and Hearing within sixty (60) days after the request thereof. Failure to do so within such time shall not constitute a consent by the Executive Board to the proposed action. The Executive Board shall review request in accordance with the provisions of its rules.
- (c) Any applications to any department or to any governmental authority for a permit to make any addition, alteration or improvement in or to any Unit shall be executed by the Association only. Such execution will not, however, create any liability on the part of the Association or any of its members to any contractor, sub-contractor or materialman on account of such addition, alteration or improvement or to any person having any claim for injury to person or damage to property arising therefrom.
- (d) All additions, alterations and improvements to the Units and Common Elements shall not, except pursuant to prior approval by the Executive Board, cause any increase in the premiums of any insurance policies carried by the Association or by the owners of any Units other than those affected by such change.

The provisions of this Section shall not apply to the Declarant in the exercise of any Special Declarant Right.

Section 13.2 - Additions, Alterations and Improvements by Executive Board. Subject to the limitations of Sections 19.5 and 19.6 of this Declaration, the Executive Board may make any additions, alterations or improvements to the Common Elements which, in its judgement, it deems necessary.

If the owners of the adjoining Units have specified

a reallocation between their Units of their Allocated Interest, the application shall state the proposed reallocations. Unless the Executive Board determines, within thirty days after receipt of the application, that the reallocations are unreasonable, the Association shall consent to the reallocation and prepare an amendment that identifies the Units involved, states the reallocations and indicates the Association's consent. The amendment shall be executed by those Unit Owners and contain words of conveyance between them, and the approval of all holders of Security Interests in the affected Units shall be endorsed thereon. On recordation, the amendment shall be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the Association.

Section 14.2 - Recording Amendments. The Association shall cause to be prepared and recorded Surveys and Plans necessary to show the altered boundaries between adjoining Units, and their dimensions and identifying numbers.
